Problem Statement

Normal Guard Position

- Meaning of taking guard is to mark where you'd like to stand in relation to the stumps

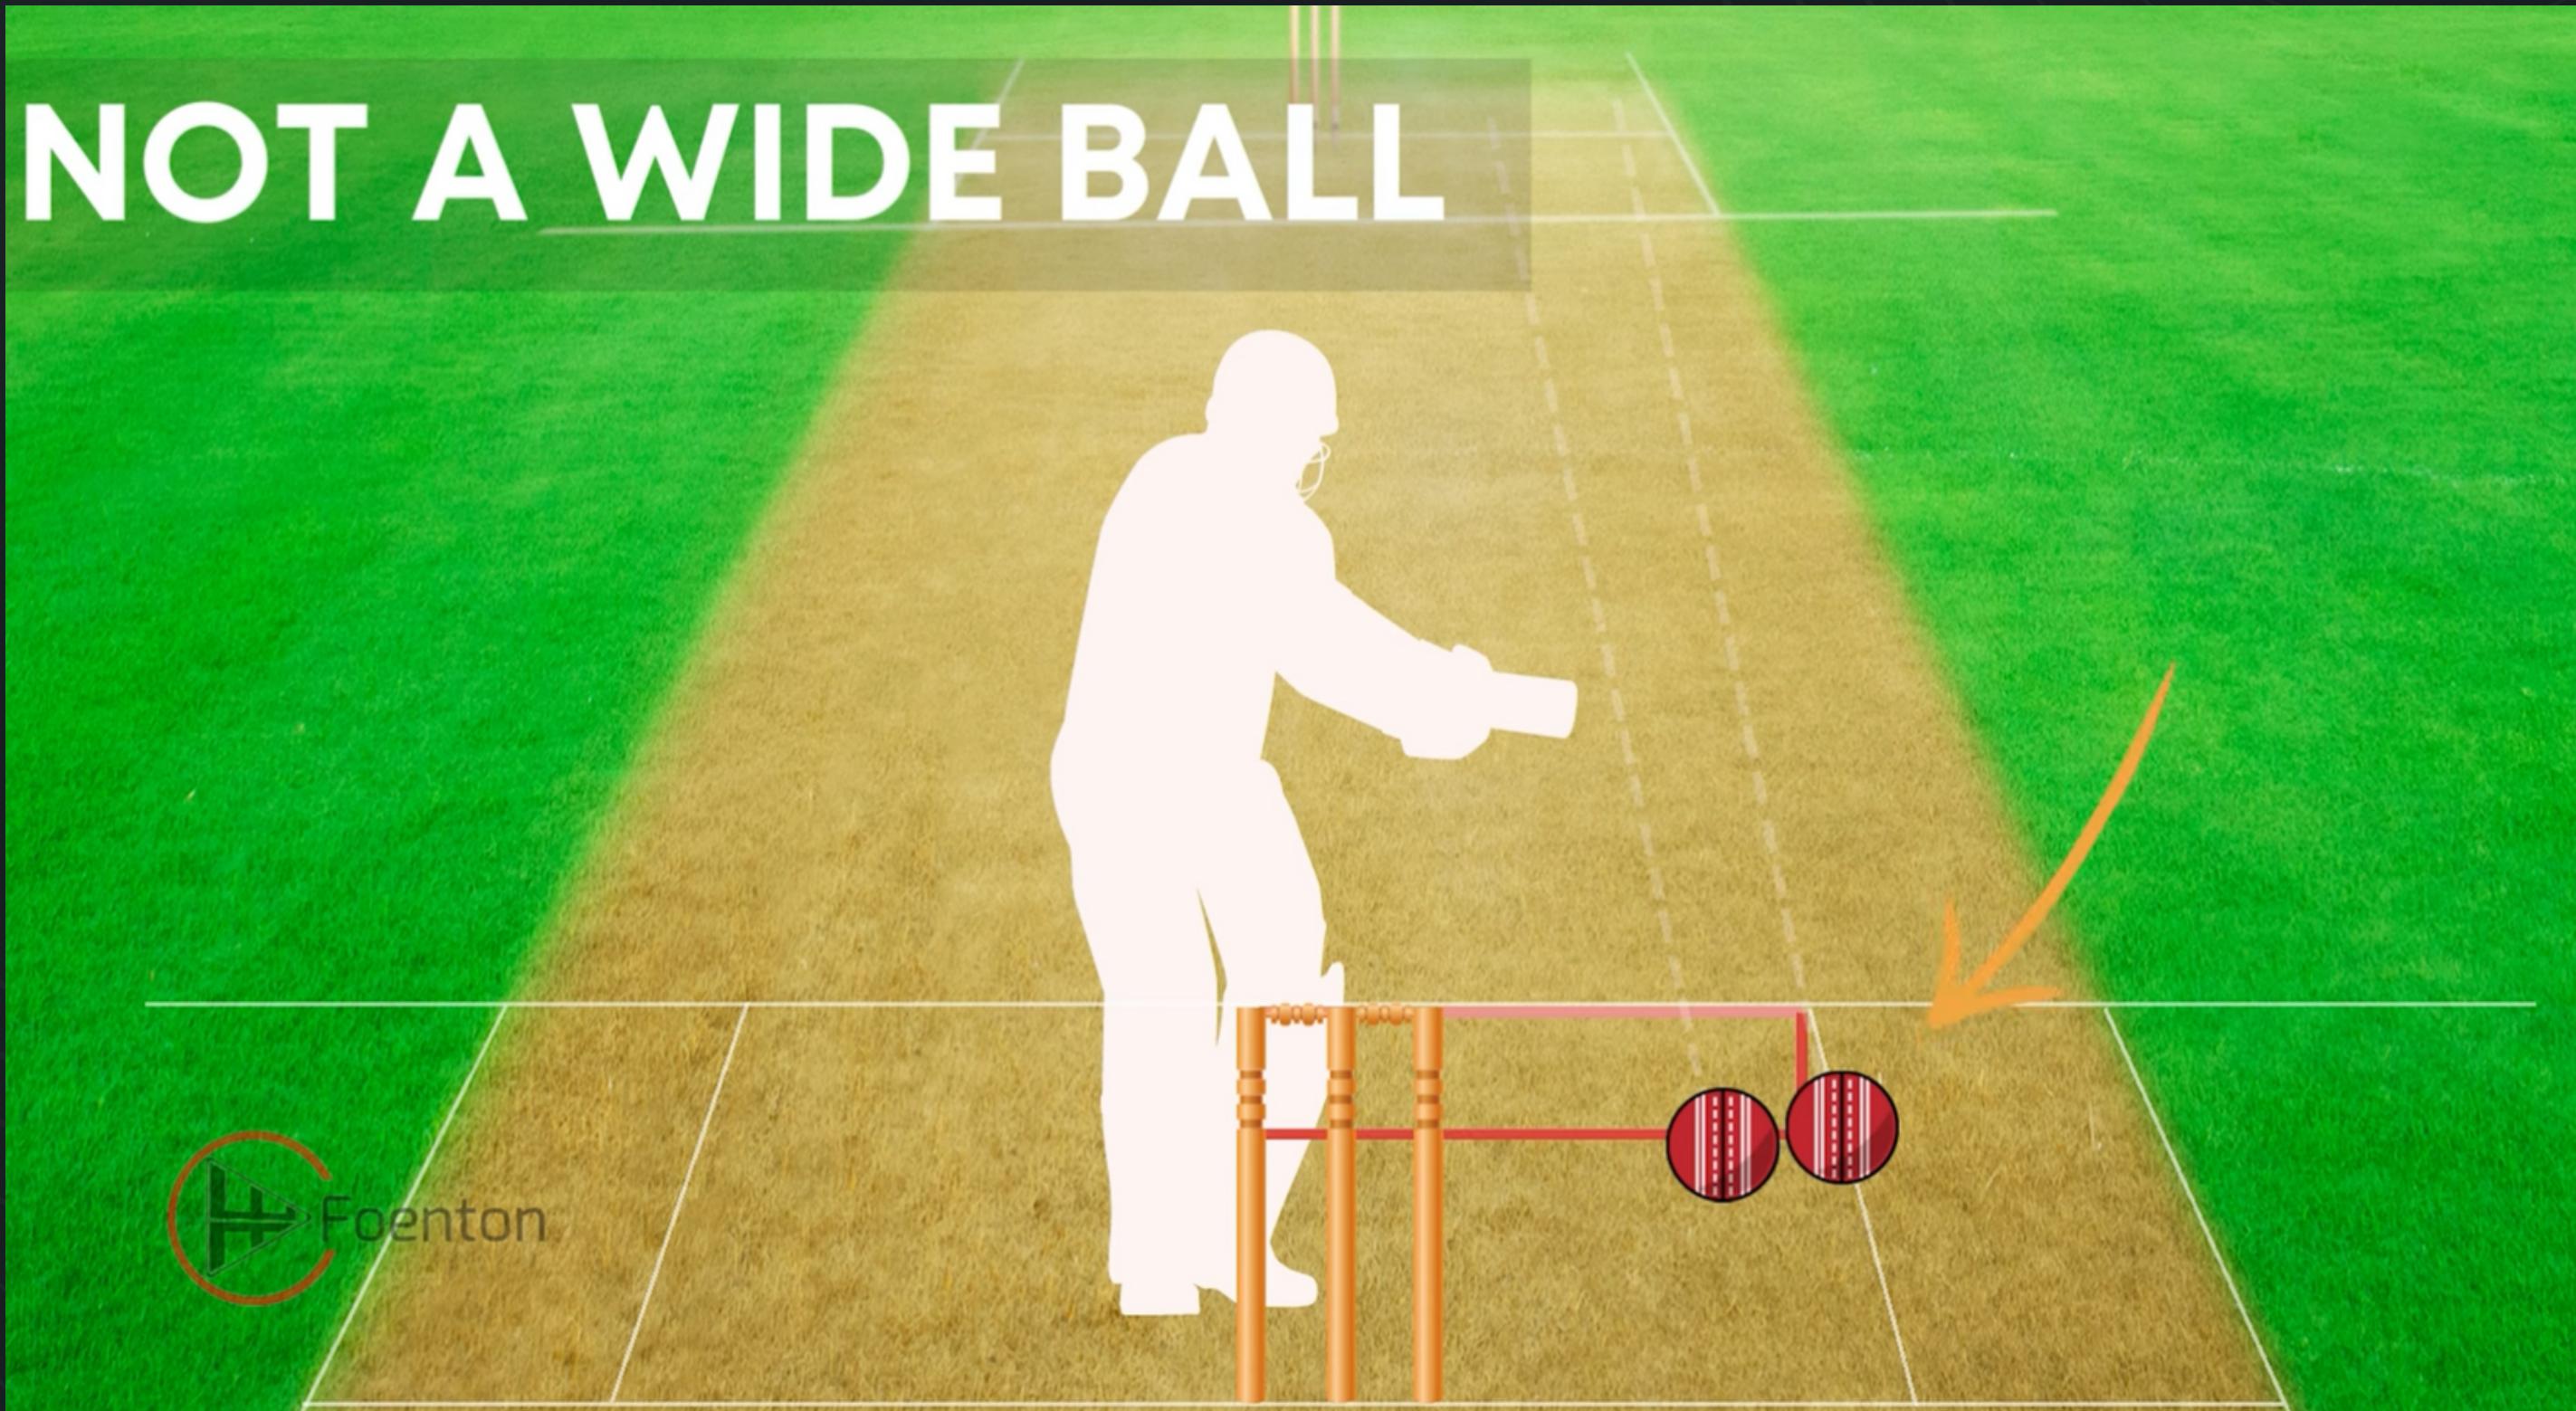

Wide Balls

Normal Guard Position

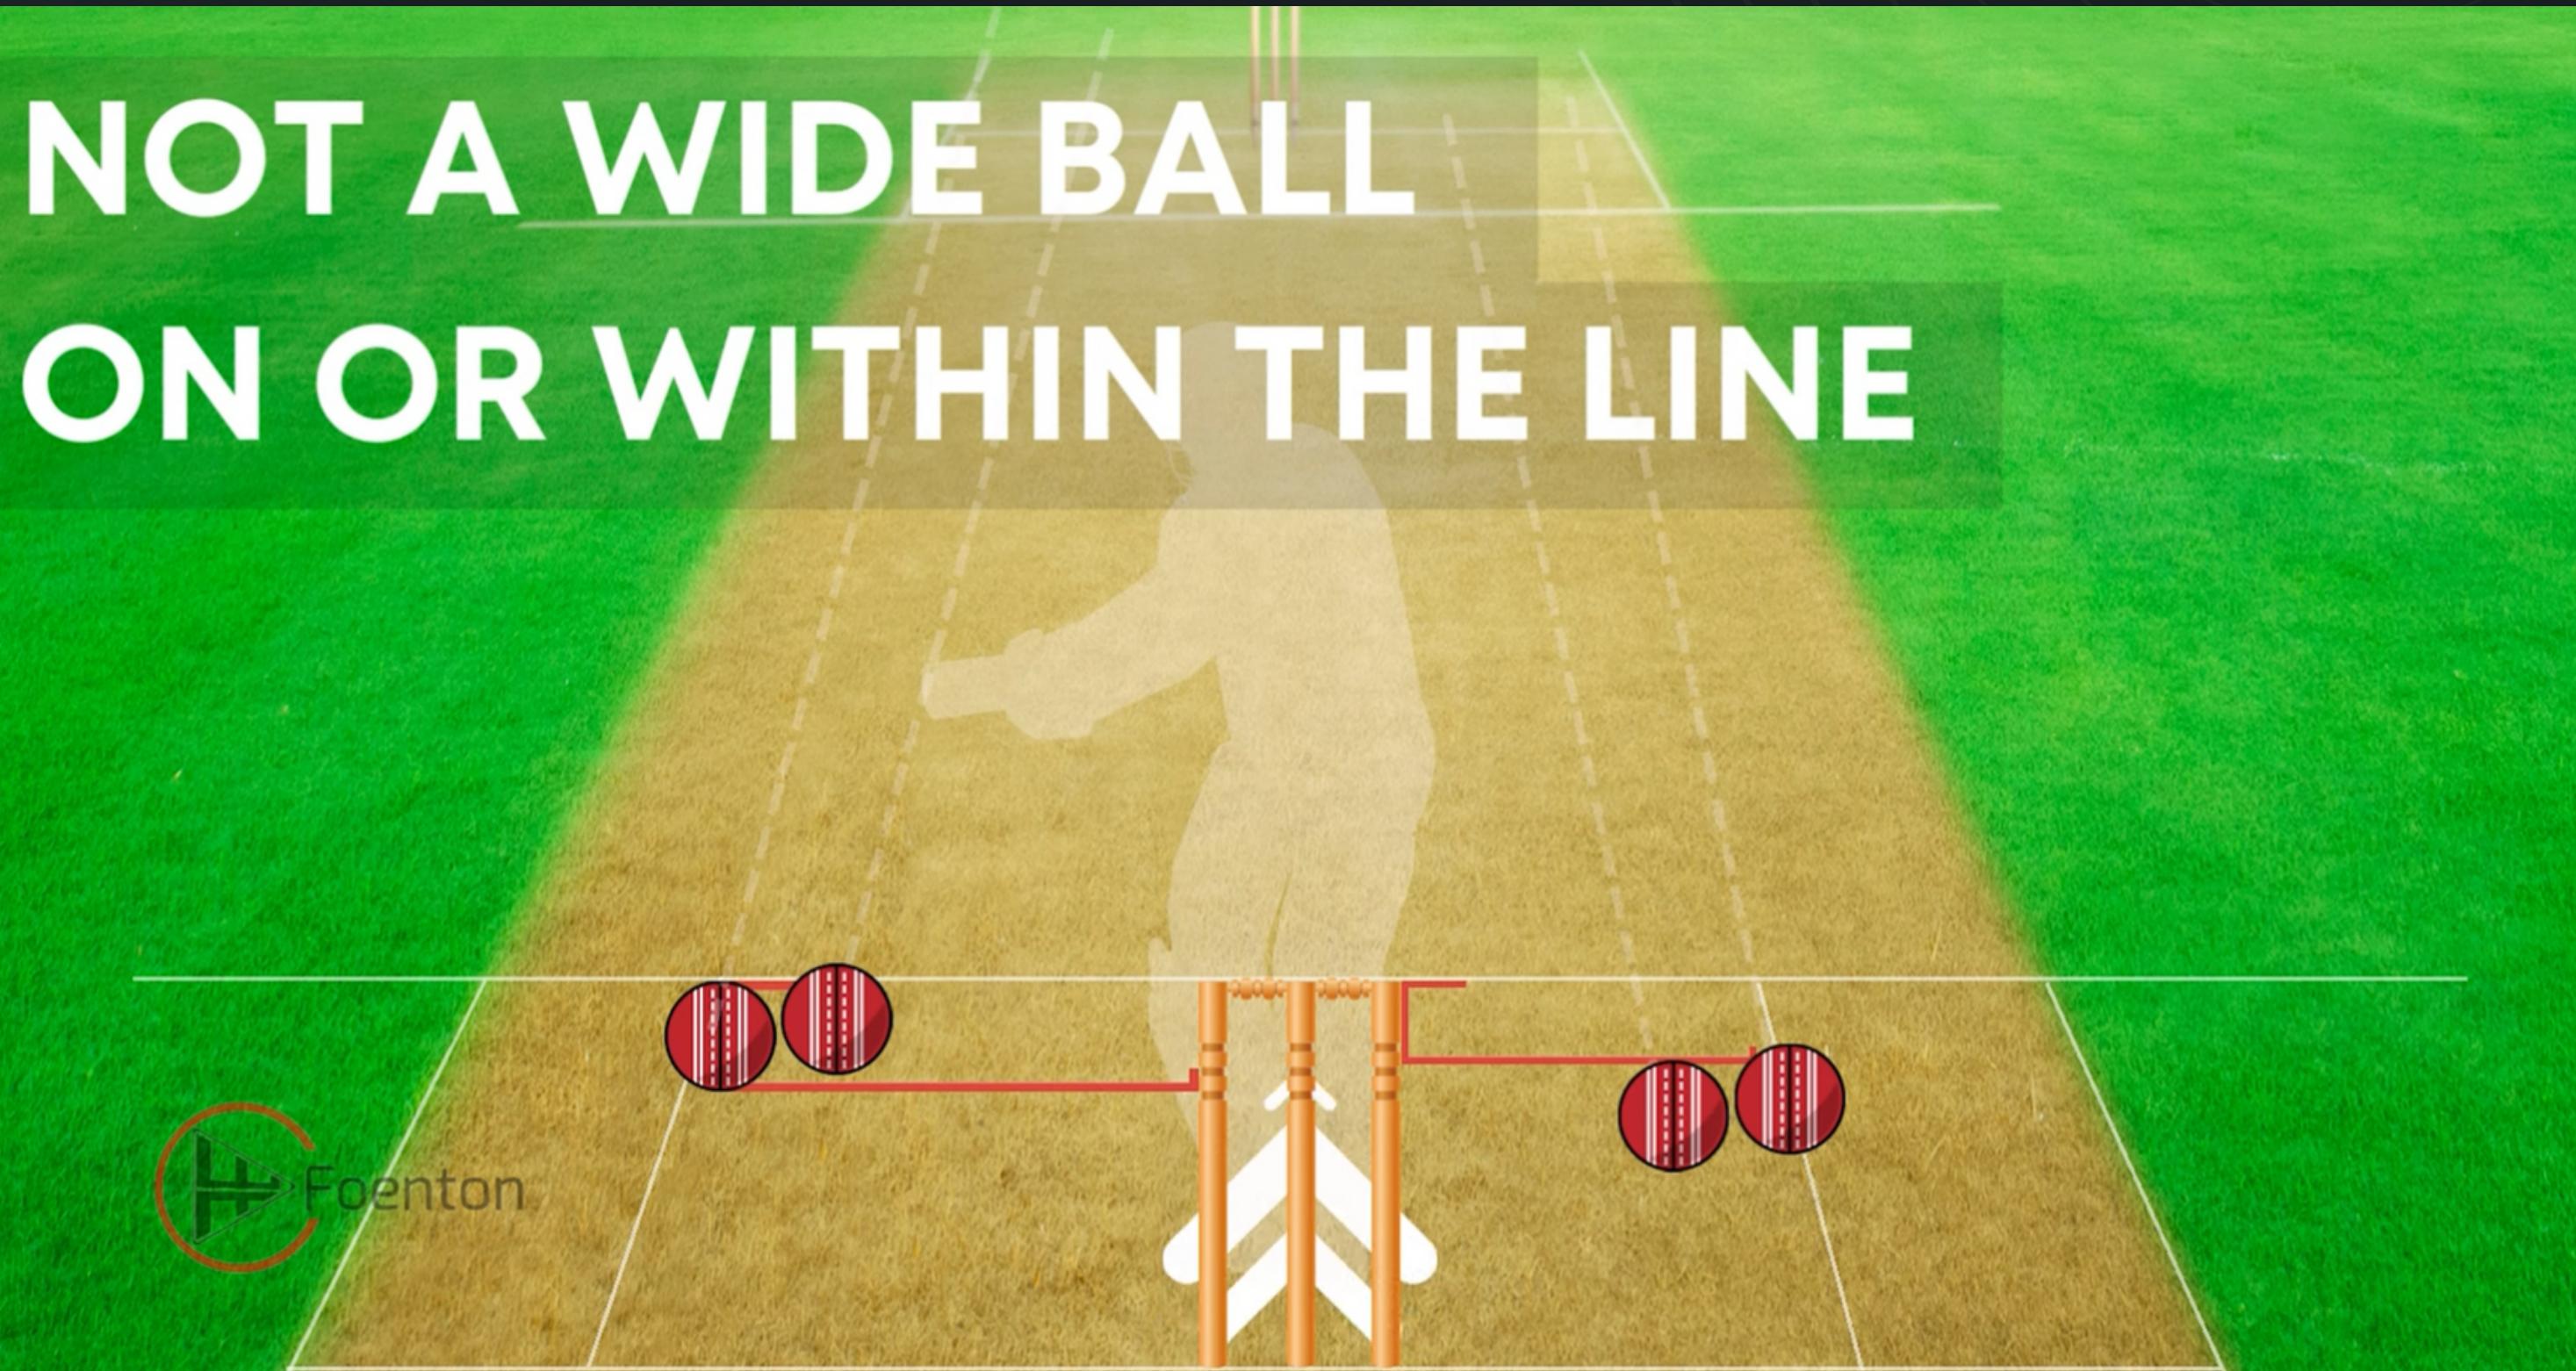

What happens if a **right** handed
batsman **reverse sweeps** or **switches**
hit

Normal Guard Position

**NOT A WIDE BALL
ON OR WITHIN THE LINE**

What happens if a **right** handed
batsman moves **LEFT** from normal
guard position, to hit the ball?

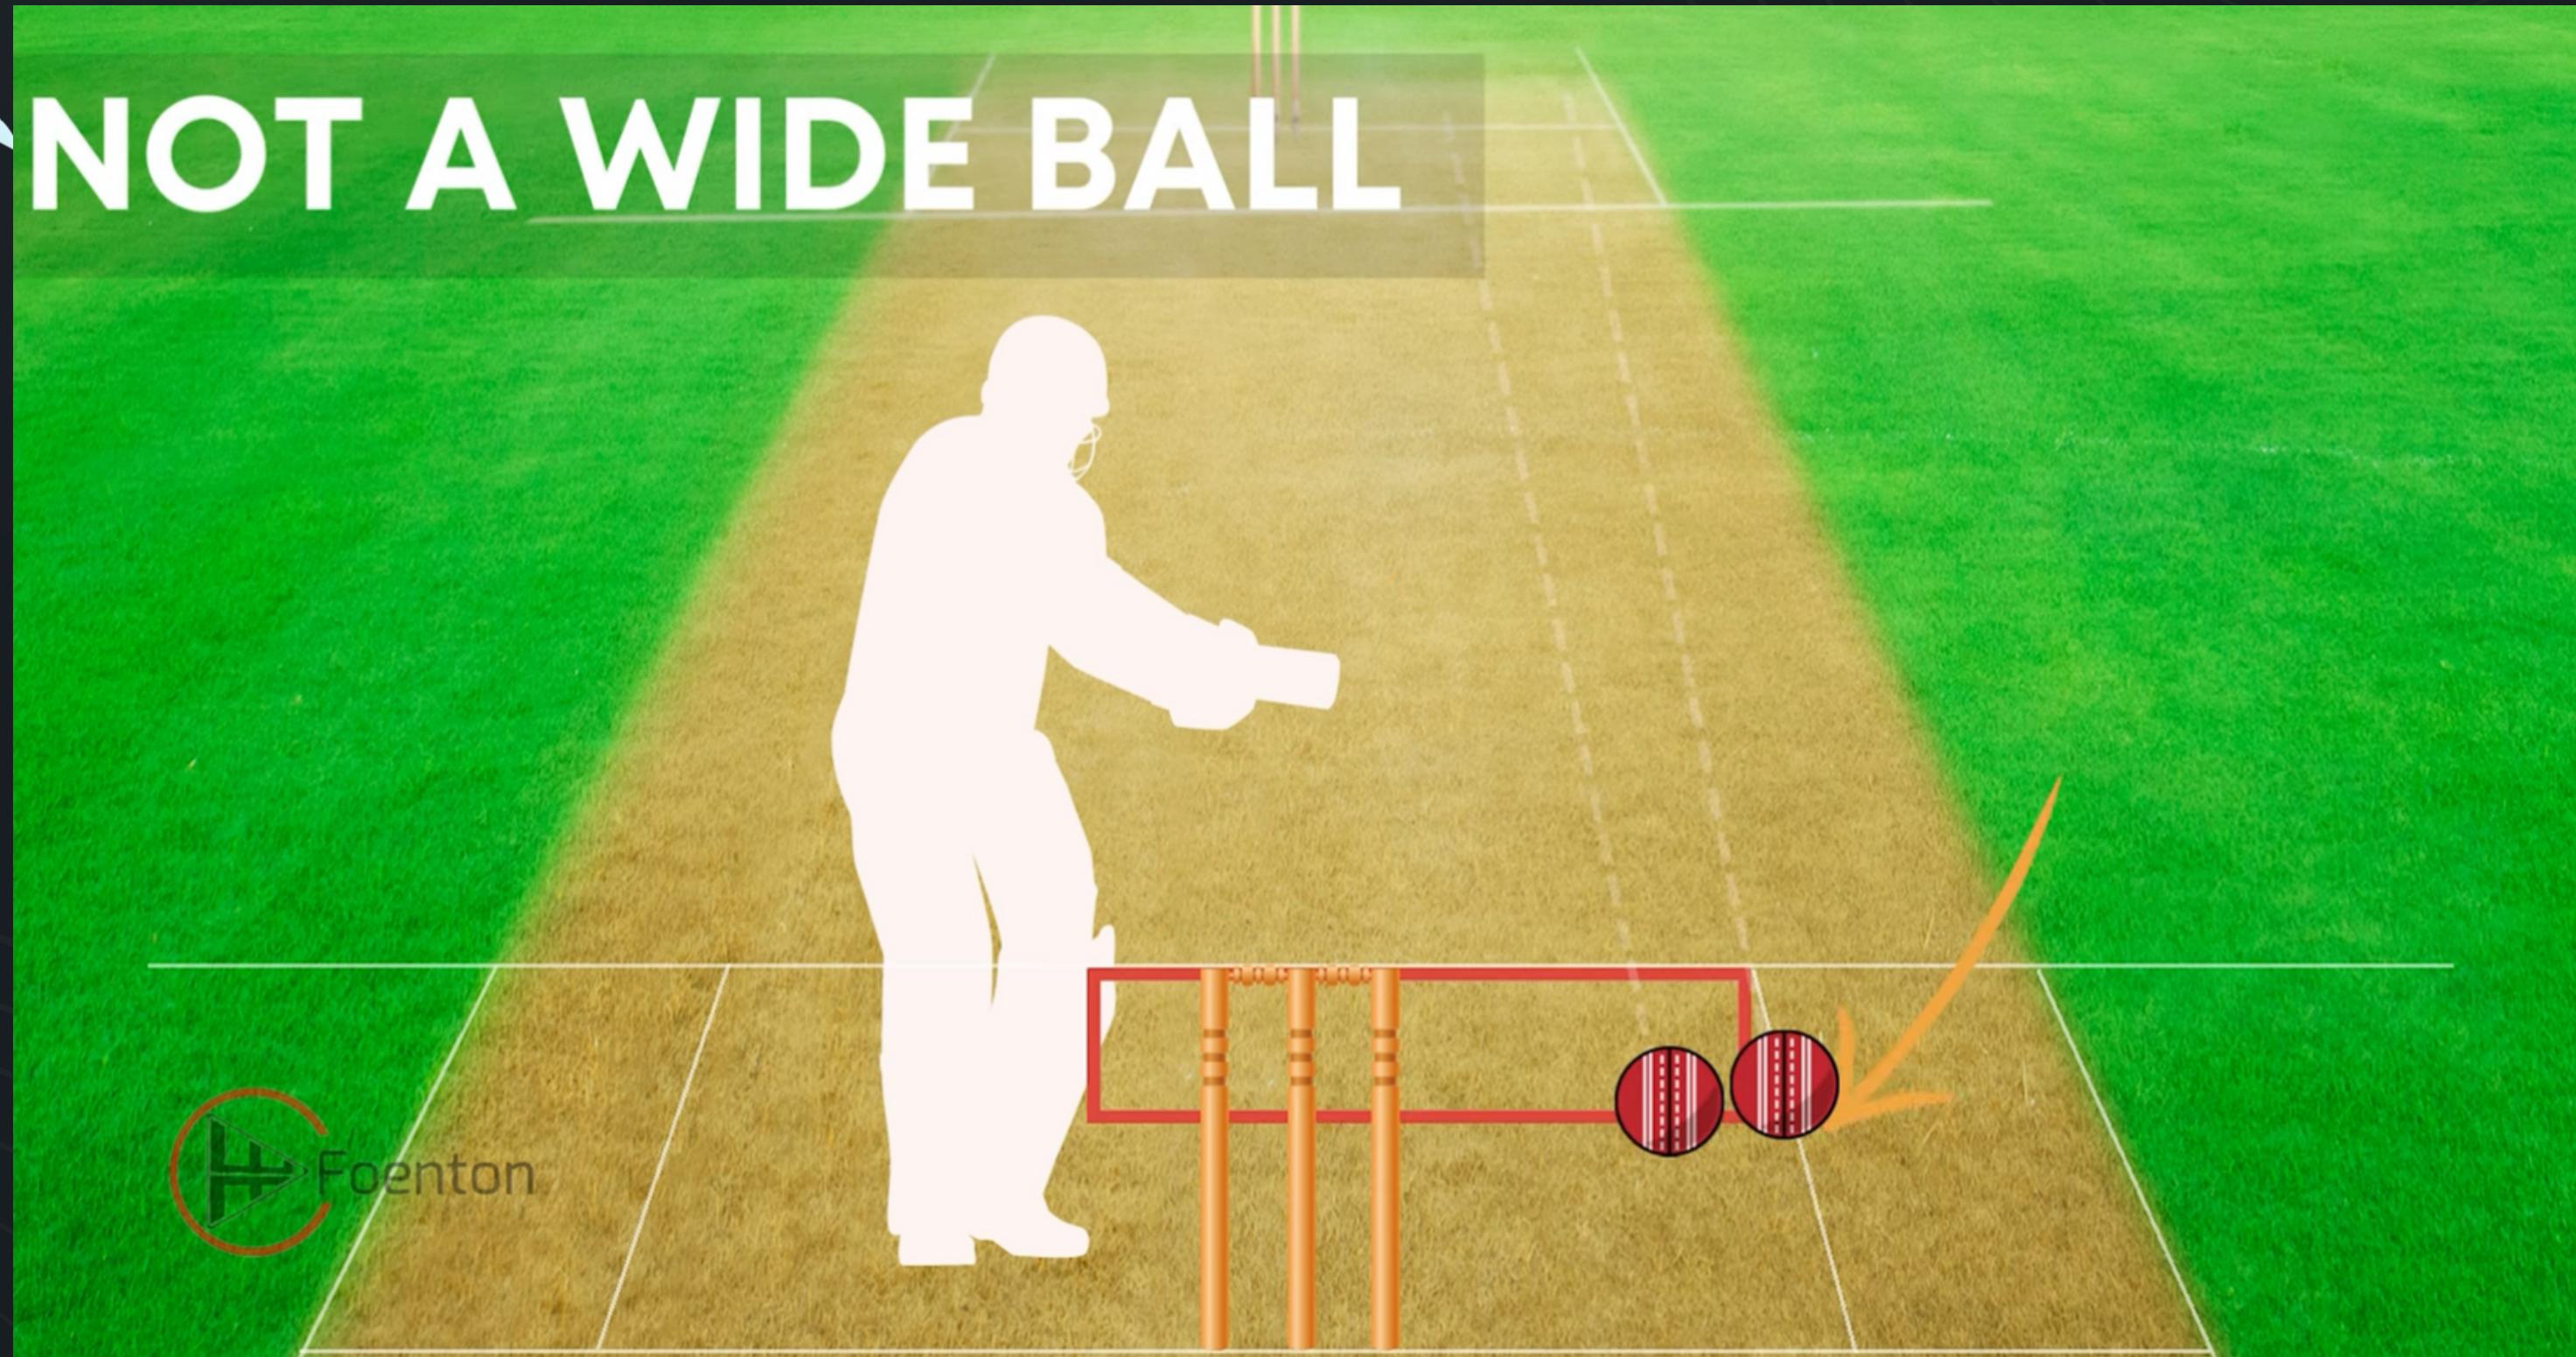

Not a Normal Guard Position

Not a Normal Guard Position

What happens if a **right** handed
batsman moves **RIGHT** from normal
guard position, to hit the ball?

Not a Normal Guard Position

Not a Normal Guard Position

Solution

What is the distance of the Wide Ball line marking in Cricket?
